The Career Professional Award is given to recognize a person in the community who has devoted their professional career to conserving the environment of Monroe County and has made an outstanding contribution in this area.

The Environmental Educator Award is given to recognize educators who have contributed the most toward enhancing the environmental knowledge of students. Educators at all levels are encouraged to respond.

The award winners will be chosen by the EMC Program Committee and presented this spring. For a nomination form, call the EMC at 760-7539. The deadline is April 13, 2001.
